“ I have know Charlene over 20 years. She sold me my Forever horse and many more. She loved my kids and taught them to ride at very young ages. I will never forget that little place in Fairburn where we all gathered and rode alot. Our favorite places to ride was to waffle house or dairy queen and on a good day we would all bundle up and take a long ride and Mickie would have us something cooking on the grill when we got back. "Best Cook EVER" We have rode a lot of adventurous miles with her and most were unforgettable to say the least.LOL I will never forget all the parades she drug us to and made sure we had the best looking horses there. Before we all had our own trailers we would all pile in her car which was a big ol' Lincoln and hook to her trailer and off we went to all the shows she could put us in. She taught us life lessons and anything you could think of about horses. She was a great teacher and friend. She will be greatly missed.  
Sending love and prayers out to the family as they felt like our family too.

Love,

Angela, Austin and Amber Miller
