“ My memories of Charles are way to far to share. My love for this dear friend are the same. He was my husband Gene’s best friend. They are now together in peace, no more pain for either one. Rest now my friend knowing the pain is gone and you are at peace. Your family and friends are at a great loss but time will be with them as we pray together for a sense of relief that you suffer no more. God Bless You and yours.  
Always with Love Barb
