“ We were saddened to hear of Charles passing. I have known him and Roger since I was just a boy, his family like many stable families tucked away in Moreland, quietly making a living and being a neighbor. I often recommended him to folks in need of an HVAC person they could depend on. I know he often helped out folks around the community. He served on our construction advisory committee during my tenure as the construction teacher at Central Educational Center in Newnan. He was always dependable and was quick to share his opinion on timely issues. We continue to ask God's blessings on his family during this time.

“ Dear Mrs. Carmichael,

I was so shocked and sad to see Charles' obituary in the paper yesterday. I know you don't know me. Charles was my go to person for my clients who needed plumbing, electrical and HVAC services. He had just helped a client of mine last week. Our family has used his company several times to fix things in our own home too. He was always honest, straight forward and fair. He truly was a kind and humble man.

Please be assured that your family will be in our prayers.

May God give you his strength, peace and comfort in the days ahead.

“ We are so sorry to hear about your loss. Charles was a pretty sure constant around here as one of the contractors on our current project. He met our granddaughter during one of his visits which led him to beam with pride as he told us about his grand and great grandchildren. We will miss seeing him around here for sure.

Please know that you and your family will be in our prayers. We pray that tears of sorrow and sadness are replaced with those of laughter and fond memories as you continue with each new day.

“ You were a great friend and mentor. I can remember asking you advise on many different things all of the years I've known you, and you always delivered the truth no matter what. You never sugar coated anything. And that's just the type of man you are. And I respected you for that. You practically watched my kids grow up at work. And Seth really looked up to you. I always looked forward to you and your guys coming to eat lunch with us at work. I'm going to miss the laughs we shared and the serious talks we had. R.E Michel will not be the same without you coming in every day. Your are a one of a kind Charles and will be greatly missed. Our family will keep Patsy and your family in our prayers as they go through this difficult time.

“ Miss Patsy and family, you are in my thoughts and prayers during this trying time. Charles was one of a kind as others have stated. If you didn't want a straight answer to your question, then you had better not ask him. He was truly a man of his word, if he told you he was going to do something you could take it to the bank. Moreland Council meetings will never be the same without him sitting in the rocking chair chiming in from time to time. He will be missed by many, and I am glad that I had the chance to know him.

“ Charles... what can I possible say to make this easier for anyone? He was a man like no other! I search for words to try to describe what he ment to my life and I all can realize is I would not be where I am with out him! He let a snotty nosed punk out of Highschool that did not have a clue what was going on, and helped mold him into a man, father,and professional! It was hard to move on from Complete Services and at times I struggled but I always had Charles in the back of my mind his words his teachings and yes his bull shitting ways! I was lucky not only to calll this man a Boss but in my eyes without a father in the picture he became a mentor and a hero! Thank ou for everything you guided me on my you keep looking out for all of us! Love you Jimmy
