“ Aunt Jo, Becky, Richard and Tom

My deepest sympathy for the loss of your cherished husband and father. I did not get to see "Uncle Charley" very much during my life, but when I did, it was always a wonderful time spent with him at family reunions. Uncle Charley always told such interesting and engaging stories and he was truly interested in knowing what was going on with whomever he was talking with. I hope you can find solace in all the wonderful memories that you have of someone who seemed to live life simply and to the fullest. Love Diane Pappas

“ I greatly admire Charles Richard Clarke, my Uncle, my deceased Dad’s younger brother, who my Dad greatly admired. Uncle Dick was a joy and pleasure to be with. He was a bright light. He always seemed to have the right combination of gentlemanliness and intelligence complemented by his sharp “ Georgia Tech “ engineering mind. A great sense of humor. Great wit. When he spoke I couldn’t help but listen with my full attention. My attention being strongest listening to his great stories from experiences he had while serving in the Navy and from his career in the NASA Space Programs. Really great stuff. To me his narratives better than a documentary. My Uncle Dick , one can very well say, had the “Right Stuff”. He certainly made our whole Clarke family clan better stuff. From all my family, with great love, respect and fondness, Thank you Uncle Dick and Aunt Jo. I certainly Thank THE LORD for Uncle Dick and Aunt Jo. You both have been a real blessing to all. May the Lord love and Bless my Uncle Dick and Aunt Jo. May the Lord Love and Bless Cousin Becky, Richard and Terri and Tom and Laurie and their wonderful families. Sincerely, Will. -----
