“ *Aliree and family,*

I remember Charles from being a neighbor on Sid Hunter Road. He was such a sweet man and always had a smile on his face - especially when he was riding in the convertible.

My thoughts and prayers are with you.

“ *Though I've only known you and Charles for less than a year, it was obvious from the first time I met you two that you shared a special love. I'm so glad I had the opportunity to meet both of you and witness your mutual love for each other. Wishing you peace and comfort in the coming days.*
