I will miss Chuck Horton very dearly. He was a fine brother and i thank him for picking Wounded Warrior Project to donate to in lieu of flowers as it helps Veteran in many ways. In fact, I am an alumni of their program and they helped me during redeployment at Fort Benning in 2008. WWP is a fine and worthwhile organization. Chuck Horton was a fine young man who was loved and cherished by everyone who knew him. He had a great, dry sense of humor and could make you laugh and smile. He surely will be missed. We love you Chuck. Always and forever. Go Delts. Go Dawgs. See you in Heaven someday my brother.

“ Our son, Matt, was good friends with Chuck and I got to know about him from Matt. He was almost like a big brother to Matt and helped him in many ways. He spoke at Matt’s Celebration of Life service in September, 2020, and shared with us some memories and what their friendship meant to him. Chuck helped us clean out Matt’s storage room with other friends and we shared some laughs that day that helped with our pain. Chuck was a good friend and a caring man. My heart breaks for his family and friends as I know he will be so missed. Gone much too soon.

“ *Memories of Chuck are sweet, partly due to his Jolly Rancher entrepreneur endeavors in high school, but mainly due to his sophisticated retorts throughout his life. My thoughts of Chuck will forever be fond.*
