“ Words cannot express the sorrow we feel for the loss of such a sweet man. We are so proud and honored to be included in his circle of family and friends. All of the cookouts, Thanksgiving dinners, ball games, BMX events and just getting together. We will miss him so much. He was always there when you needed him, with a laugh and a smile.

“ Daddy I don't even know how to begin to let you go. You've always been my greatest champion & best friend. You'll always be my hero. I can't fathom getting through the rest of my days without you, no matter how strong you raised me to be. As a little girl I used to wait so anxiously every day for you to get home from work. So I know you'll be there waiting for me when the time comes. Until then I'm going to miss you with every fiber of my being. I love you Daddy, with all my heart! xoxo
