“ Donna, Joanie, Sharon and Jacqueline: I am devastated at the passing of Charlie. I am sure that heaven won't be the same with Maude, Shorty and Charlie in attendance--especially in the choir! I miss you all and wish you could come back here to visit. There are many of us still here who would love to see you. The Library will be sending you some memorials via the funeral home. Several donations have been received here at the library and library books will be placed in the collections with your Dad's name in them as a memorial. Can't tell you how much your family meant to ours and how much his support meant during my father's illness. God bless you all.

“ Sharon and family, just wanted to say again how sorry I am for your loss...I remember your dad taking us fishing in the boat and bringing you to see me in Missouri. I know he will be missed
