“ As we go through life we cross paths with individuals who make a positive and lasting contribution to our lives. Steve was that kind of person in my life. I first met Steve when I started with GAB in Dothan in 1976 as a rookie adjuster. Steve took me under his wing and mentored and guided me in my new profession. Steve always had my back both in my personal and professional life. I will always be grateful to and will forever remember Steve. He was indeed a special person who was a positive influence on all of those around him.. He will be missed by all. God bless and keep you Steve.

“ I had the pleasure of working with Steve for many years at Cotton States Insurance, both when he was in Gadsden and also Atlanta. He was such a conscientious leader who cared so much about his employees and the company. I lost track of him after he left Cotton States, and I'm saddened that my first recent news of him was to learn of your loss. Many of us old-timers at Cotton States still remember Steve and share our condolences with your family. Gone but not forgotten.

“ I worked with Steve when he was a Claim Rep in Montgomery and I was in Florence. He was my supervisor when he moved to Gadsden. When Steve moved to Atlanta, I got to see and visit with him when we went to Atlanta and at conferences. He was by far one of the most pleasant and nicest men I have ever worked with. God be with the family in this time of loss of a great family Man.
