“ I knew Mr. Morris in my teen years because I spend many nights at his house at "cheerleading camp outs". He always opened his house to us girls and we felt like one of the family. Sharon, Mike, David and Linda you are remembered in each of our hearts at this time. Thank you from the Lakeshore cheerleaders of '69 & '70.

“ To Chuck's family and friends, I have difficulty finding the words to describe what a great man he was, and how much I am in debt to him for the love and kindness that he shared with me and our family. He was not only my Dad's best friend when he [Al Slawson] passed away in 1990; he was the best friend my Dad ever had. I think I learned what it meant to be a true friend from Chuck. A lawyer and a painter seemed like a strange pair, but a lot of the best times of my life was going hunting, or fishing, or just traveling to visit family together, whether it was College Park, GA to Gaylesville, AL, or driving up to VA Beach, VA; a great sense of humor makes the miles go by a lot faster. Years later, when I moved from Atlanta to Houston, TX, Chuck & Dad would either meet me in New Orleans or anywhere else in between to go fishing or just hang out and play some cards. My high school years were tough times for me [for reasons I won't go into here], but Chuck was like a rock that I could lean on and depend on. There is not enough room here to list all of the times he helped me out, I'll just say that my life would not be the same without him, and I will be eternally grateful for his guidance. What a truly wonderful human being. In closing, I just want to ask God to bless him and all of his family and friends, as we were all blessed to be around and to know him. - Amen.

“ My sincere condolences to the family on the loss of such a wonderful person. I only knew Mr. Chuck through stories I heard almost daily from his daughter, Linda. She was always telling the cutest and funniest stories about her dad. He made her laugh and to see the love for her dad in her eyes while she told the stories was truly genuine. I know he was a true character to those that knew him well and I am sorry that I never had the opportunity to meet him in person. May he rest in peace and may the family enjoy fond memories of him always. Sincerely, Denise
