“ *My deepest sympathies to the family. Charlotte and the Cole family was so sweet and gracious when two damn Yankees became her neighbor over 40 years ago. She will be remembered with the fondest of memories.*

“ How I loved her! We worked together at Western School many years ago.

She was always encouraging, positive, and happy! She could dance and laugh w the best of them. Although I have not seen Charlotte in a long time, she has a special place in my heart. She loved the brethren. She was a candle, a light, so I don't need to add one. ❤️

“Charlotte and I met 50 years ago working together at Madras. Our friendship grew over the years which included college, marriages and divorces. We laughed and cried over the years. I was so blessed to have called her my friend.
