

Charlotte Leigh Warren

May 11, 1946 - March 20, 2026

Charlotte "C. Brown" Warren beloved wife, mother, grandmother, and great-grandmother, entered the Kingdom of Heaven on March 20, 2026, after a long battle with congestive heart failure. She passed peacefully at home, surrounded by her loving family.

Charlotte is survived by her devoted husband of more than 60 years, Larry Warren, and the extraordinary legacy they built together: 9 children, 16 grandchildren, and 8 great-grandchildren. Charlotte was also survived by her two brothers, Leroy and John.

Charlotte had an eye for beauty and a heart for giving. She loved the hunt for treasures-antique shops, garage/yard sales, Goodwill -anywhere she might find something special. And just as quickly as she found these treasures, she would thoughtfully give them away.

Her home was a place where the smell of cooking wrapped everyone in comfort. Her breakfasts were famous featuring homemade biscuits and gravy; her baking was unmatched from pies to bread to her unforgettable homemade German chocolate cake. Let's not forget Charlotte's famous fried chicken, a recipe so loved that it became part of the family's story.

Charlotte shared her days with her little Yorkie, Wee, and her giant German

Shepherd, Bear. She loved working in the garden with Larry, their children, and grandchildren, planting and picking together in the sunshine.

She and Larry worked tirelessly throughout their lives and shared life's journeys across the United States with God, love, family, and music. Above all, Charlotte was a woman of deep, unwavering faith in God, and she passed that faith on to her husband and children.

Her family will forever love her, miss her, and carry her legacy in their hearts.

“ Charlotte was an exemplary Christian and embodied so much care and love. Char was a second mom to my daughter Anna (maybe stricter than me). I have so many memories of Larry and Char when they lived on Blondo in Elkhorn. Laughing and talking politics around the bonfire. The smell of fried chicken or fettuccine Alfredo, biscuits and gravy, or whatever was requested! The floors waxed so much they were dangerous. And of course, the many, many nativity scenes at Christmas time.

Charlotte raised love birds in addition to her numerous children. Those birds built nests and had chicks. And she told me her secret was to clean and care for them every day. This is how I care for the birds I have now. That is all you need to remember about Char. She was full of love and care for everyone around her. May her memory be a blessing to her family. -Mindy Clark and family
