

## Cheryl Diane Wyatt

February 25, 1958 - July 4, 2014

Diane Wyatt, 56 of Union City, GA passed away, July 4, 2014. She was born on Feb. 25, 1958 in Richmond, Virginia to the late Ed and Leona Wyatt. In addition to her parents she is preceded in death by her brother, Ronnie Wyatt. Diane Finally rest in peace after 34 yrs from Halloween night 1980....she was 22 at the time. We never knew what her life journey would be or for how long and how sad. My parents (Ed and Leona Wyatt) have cared for 24/7 her until they passed (Dad-Nov 2010 and Mom Nov 2013.) She was a 1976 Graduate of Fayette County High School. Diane loved children, and loved art from drawing to being creative and music. Her life joys were cut short, and the family has provided for her. She never had children of her own.

She is survived by her brothers, Charles "Eddie" Wyatt, Jerry Wyatt and sister, Vicki Wyatt and several nieces, nephews, cousins and relatives in Virginia.

Condolences may be sent to the family online at [www.mckoon.com](http://www.mckoon.com). I have invited friends on facebook to share her memory/memorial at Turin Baptist Church. This is what I posted in facebook: Call me if you have questions Vicki Wyatt 678-409-0459.

I want to thank sooo many who have reached out to me and my family regarding my sister Diane. I find it easier to let all those know the update and all the prayers that have wrapped us up in finding peace. It is easier for me to update on facebook. Its hard talking about how sad her life has been. We do

not have all the answers yet, but we haven't had answers for 34 years. Karma I know My dad and mom have their angel, along side my brother Ronnie and they are all watching and sending us directions, and messages that we will soon have answers too all the way from heaven. We will finally have peace for Diane and services for her. Please join us in memory of Diane this Friday at 4 p.m.at Turin Baptist Church- 29 Church Street, Turin.

Not to be forgotten even after all these years.R.I.P. Diane Wyatt, no more suffering and pain. We may have lost her at the age of 22, but what you have shown us in life over 34 yrs, and missing out in sooo much!!!
