“ I worked with Chris for the school system. While I was in a different department, we were always trying to find all of the equipment the schools lost. Chris had a great sense of humor and made it a pleasure to work with. Thanks for the great years and rest in peace my friend. Bob Alexander

“ Chris was in CHS Sportsmanship Club and we carpooled to St. Pete Jr College. We spent many days on Lake Carroll. He married Diane and we saw each other from time to time. Last time I saw him was at CHS reunion planning dinner. He was with younger brother Ronnie, who I finally remember as I drove away. Chris, a part of the group you could count on for his humor and honest fun. John Chapman CHS Class 66”

So sad to read about Chris' passing. His memory takes me way back to the 1950's and early 1960's. I lived on Cluster Avenue, Tampa, FL, right around the corner from his house. I graduated from High School in 1964, so we were two years apart. At that age, two years makes a world of difference, so we did not play a lot together. I actually knew his brother Larry better, but I talked to Chris from time-to-time. Chris and his sister (Theresa?) would often ride their bicycles in the neighborhood. What I remember about Chris the most is what a nice guy he was, always pleasant to talk to and a very humble guy. Just very pleasant to know. Larry was like that too, and I am sure, the whole family. That comment comes from the wisdom of the age we are all at now. Makes me wish I spent more time getting to know him. I have prayers for his family. God bless.
