“ Robert, I just wanted to tell you how sorry we are to hear of Mrs. Chris' passing. Ricky enjoyed taking her grocery order to Baptist Rest, and she was always so eager to talk and have him visit. I had talked with her months ago on the phone one night, and she made me laugh. I know she was so special to many people. Your family is in our prayers.

“ Please know that your Mother was a dear sweet person and I always loved her. She was so helpful to me when my Mother was diagnosed with Alzheimer's. I will always remember her and especially her delicious cakes and how she was always available to help others when needed. I feel blessed to have known her. Karen Bonner

“ We remember Mrs. Stokely with great affection. She was a one of a kind lady! Her willingness to be a good friend to her neighbors will be a great loss to each of them. She was a "queen." Our thoughts and prayers are with you today and always. Love, Donna, Wayne and Collin

“ I want you to know that I loved Chris very much. She was my good friend for many, many years through the Garden Club, volunteering at the hospital, and church. My daughter, Debbie, was in Robbie's class and we had many things in common. My son, Johnny, cut Chris' grass for several years and they became good friends. She has kept up with him and has made many little gifts for his daughter, Ashton. Chris was a very giving and caring person. I will miss her very much. Please know that your family are in my prayers. I know Chris is now full of happiness to be home with her heavenly Father and will no longer be in any pain.
