“ I have lived in Newnan all my life and knew Miss Christine through Fisher Insurance and of course at Lee Kings. She was a person that helped make Newnan the great little town it was for me to grow up in. I can still remember the chicken salad, egg salad, and ham plate she would serve me whenever I went to the Lee King counter. Thank you Miss Christine. My thoughts and prayers are with your family during this difficult time.

“ During all those years (16) I worked in downtown Newnan, I will never forget those lunch breaks at Lee King, and the wonderful crew that served the best lunch in town. Miss Christine was one of those wonderful crew members at Lee King. She was the best at what she did, cooking, serving, and always trying to please us. My sympathies to the family on your great loss. You are in my thoughts and prayers at this difficult time.

“ My sympathy to your family. I have fond memories of Ms. Christine. She made the best chicken salad sandwiches and always put extra cherry syrup in my cokes.

“ Ms. Christine was a very special lady. I remember her at Lee King when I went there in my high school years. May God bless you at this time.
