“ Chris was an absolute joy to work with. Always a smile, always a joke and always optimistic regardless the circumstance. Lori, Bo and Maggie, I never had the opportunity to meet you but Chris always had you in conversation. His love for you was evident and when speaking about family, it was a refreshment to conversate with Chris.

Chris will be greatly missed but I am comforted to know we share in the same Hope and eternal promises. May the Lord strengthen you as only He can in Chris's absence.

God bless you.

“ Chris was a delight to have visit us at work (Certified Tool Solutions). Always a smile and kind word for us. I had the honor of finding Buster for Maggie. I pray he brings comfort to her in the coming days. Even though we have never met, Chris always talked about you and the kids so we felt we knew you. If there is anything we can help with, please don't hesitate to reach out. We will miss. May God watch over you all during this difficult transition to life without him. Susan and Craig Bailey.
