“ *Its been years and you still cross my mind so often, Chrissy. You were so loved and appreciated. You passed just 2 months before my daughter was born, and I know you would have loved her so much. I had such a vivid dream not long after I had her that you met her and it was beautiful. I hope that the afterlife is real and that was you sending me a sign that you see her. I love and miss you so much. Hopefully you and my momma are having the best time up there. TURN IT UP!!*

“ *Dear Bobby and Family....I was so sorry to hear of Chris' passing. He was always the class clown and that's how I will remember him. I'm so sorry he had to suffer but at least he isn't know. I pray that God will wrap his arms around your family and help you through this difficult time. Hold tight to the many memories you have because that will help you through. If I can do anything for you or the family please let me know. In my heart and prayers....Donna Williford Burger*
