“Wow Cousin Chris, I have so many wonderful memories of us when we were younger. We had some great and fun times growing up. I am thankful that as we grew up and had our own families we could still at least see each other around Christmas most years. I love you, your beautiful wife BJ and kids Kaden and Taylor. We are going to miss you so much and I am going to miss your random phone calls to check in. I know you were welcomed with open arms and completely healed by Jesus, your mom and dad and my mom and dad too. Y'all hold down the fort up there in heaven until the rest of us get there too!! I love you bunches and will see you again!!!! ❤️❤️❤️

“To the Walden my deepest sympathy. Billie always spoke about her family, did not know her husband but she always spoke about him and the kids. Billie, I am so sorry for your loss. I'm praying for you and your family at this time. Danielle- UPS Feeder Supervisor
