Jan, I love this video. It brought back a lot of memories from when we were young, especially the one of Orville with his wavy hair and Claire and Orville by the fish pond on Gaines Ave. The video was wonderful, I really loved it!

I always hit a hug and a kiss on the cheek every time she can to the store. To know her was to love her . She never met a stranger. She was always lifting everyone up around here. I really lived her. I have Christmas ornaments that she made nevabd my wife that I out in my tree every year. My heart breaks to know she's not soreading her cheer and love anymore*

“ I knew Okey such a short time compared to some, but she made an impact on my life. I came to Brookdale in January of this year...overwhelmed with trying to remember so many names, it was such a relief to be introduced to Okey Dokey whose name was always right there when I needed it. She was not a woman one would ever forget and I had the pleasure of eating breakfast with her every morning. She often was late...I keep thinking she will appear around that corner again and we will be able to give a piece of bacon we couldn't eat for Buster's enjoyment. He was such a joy to her and she a joy to us.

“ Jan, My heart is with you. I know how much you loved one another and how well you took care of her. We are in Savannah this week and I am sorry I won't see you. But praise the Lord she is reunited with your Dad and they are both well and happy. Love you sweet friend. Marcia Stone

“ *We will miss Dokey so much at Brookdale. She was a special person that everyone adored and wanted to be around. My dad loved to spar with her at the table, and she knew just how to get him moving. Her sense of humor and her people skills made her a favorite with everyone she met. We are all fortunate to have known and loved her!*

“ Mrs Dokey was a wonderful friend. I delivered Mr & Mrs Dokey's mail for about 8 years and when my son in law pasted away very unexpectedly she was a great comfort to me. She would always be out walking and would take time out and talk to me and uplift me during the days following our loss. She is with her Orville now!! Oh how she missed him!! They are together with Jesus!! Praise the Lord for two wonderful people that I had the pleasure of knowing this side of heaven but I will see them again!!! Y'all were truly blessed to have such wonderful parents!!!

“ Clara was such a blessing and I will always remember her generous spirit and skilled hands. One of my favorite memories of her was during Christmas a couple of years ago when she chose a little girls name off of the Church's Angel Tree and handmade the most perfect little dress with matching socks and hair ribbons. You could tell how much love she'd put into such a perfect gift.

*Until we meet again, may God
Hold you in the palm of his hand*

“ Clara Dokey was a wonderful Godly woman. She warmed the hearts of many. She always smiled at and hugged everyone she saw. Any time someone says Amen in church. I think of her. She was a shining light in my life. She is in Orvilles arms again. Smiling!!!!

“ Clara Dokey was beautiful person. I loved that I was able to get to know her and share a little bit of time with her on occasion - even though distance wouldn't allow us to see each other very frequently. I know there's grieving in this life, but I'm so excited for Clara that she gets to spend this Christmas with her two great loves: her husband and her Savior!

Ms. Dokey I love you so much but now you can rest in peace. I will miss you but I know you will walk with me everyday as my angle now.

“ One night, after dark, Aunt Clara, Aunt Lois, and I were watching a suspenseful movie at her home in the woods of Temple, Ga. All the sudden, I looked up and could see only the outline of a large man standing on the front porch looking in at us. Aunt Clara was so scared, all she could do was squeal. Soon, we heard a knock on the front door. For those who do not know, no one ever came to the FRONT door. The guy looking in at me stepped forward, and then I could see that he was a sheriff's deputy. I opened the door because the two chickens still couldn't move. They were there, at the wrong address, investigating a domestic violence call. I told them that I was in there beating my two elderly aunts up. The big joke was that those two could take me anytime !
