“ Aunt Clara was a wonderful person. I would love to meet her Georgia family to know you all. I visited her in 1999 and she told me many interesting stories and memories, shared her hugs, smiles, garden and furry friend Buddy with me. After that we spoke on the phone but I lost touch, I guess when she went into assisted living. It is sweet to hear she endeared the hearts of many even there, with hugs, smiles, dances and gardens. That was her. I am a Florida niece, but we all came from Montgomery County, Md. I can be found at joantwarren.com

“ My family went to the Corinth Road Assisted Living Center to have a bible study there once a month and immediately were greeted with Ms. Clara. What an incredible lady she was! We laughed with her. I admired her spunk. I asked her to dance the ole soft shoe with me. She loved to smile, to joke and to garden around the place. Our family sends you our deepest sympathies as we mourn her passing with you. She was a special lady who touched my daughter Dee and others there at the Assisted living Center. May God bless you!

“ Miss Clara as she was known to me, my mother (Mary Ellen Spearman) and my daughter Rachael, was such an inspiration to us and gave unconditional love to us during the years. She was with me when my daughter was a baby and taught me so much! We are thinking about your family in your loss and we will always remember Miss Clara for her love and "hugs". Nancy Williams
