“ Debbie, I know that this is a difficult time for you and your family. I can only hope that all of the bad feelings can be cast away to celebrate the life of your mother. I am quite sure that your mother loved each of you equally, as most mothers do. I'm sure that she would not want you or Susan to be unkind to each other during this time of mourning. I love you and Jerry so very much and I will be praying for your entire family!
