“ *Tommy was a big-hearted man. He was strong, thoughtful, and someone you could always rely on. He had a commanding presence--he was someone to look up to. His business smarts were next to none. He was just an overall good guy, and fun to be around. This is how we should all remember him - how he was before, not after.*

“ *I am so sorry for your loss. I have known Tommy all of my life. I will always remember him and Pop telling their story about traveling through the blizzard to Clayton to see me when I was born. He always reminded me so much of my Daddy. I know that you will miss him terribly, but you have the assurance that he is in heaven and he has finally received his healing. If I can do anything please don't hesitate to call. 770-253-0132 Love to you all, Carrie and Harry*
