“ *Gandy as we knew him in our neighborhood was always so wonderful to us teenagers. I have so many good memories of swinging on his front porch hammock with my neighborhood friends and loved his Airedales' and many other animals. Although much older than us kids he was always always patient with us playing at his home. I couldn't believe when I heard of his passing and grieved so hard that I found only now the voice to write this even though it's been years I've never forgotten. Gandy was a beautiful soul gentle much loved by anyone who had the pleasure of meeting him. He instantly put you at ease was with his humble and kind heart. I'm blessed to have these fond memories to remember him by and I pray for his loved ones left behind to find peace and solace of knowing how much he was loved and how many hearts he touched. My sincerest condolences.*

“ To Gandy, his daughter and his Family: I sat down hours ago to write this to try to make sure I had the right words, I finally decided to just write what was in my heart. I worked for Gandy at Lindsey's and was still there when he became Mayor. Gandy taught me so much from a personal stand point and a professional stand point. I remember walking thru his office door upset about the fact he was running late for a meeting and he would say "Tammy they can't start without me". After I had children I would say this to them when I was running late, which was often. I live in Texas now and both my husband and myself often tell stories of Newnan and Gandy is always in one of them. I remember the love he had for his daughter and the pink shotgun he wanted to buy her for Christmas. Gandy I will carry your lessons and your stories with me always, I told them to my children and now I will tell them to my grandchildren. You will be missed but you will never be forgotten. My love and prayers to the family. Tammy and Richard Shook.

“ We are so sad to hear of this huge loss. What an amazing man! Gandy was the most real, down to earth, alive, wide open, Christian man we have ever known. He loved Cumberland Island and we have many happy memories with him here, we will find some photos of him in Cumberland fishing, hunting, his cadillac on the beach, (he was a hoot!) and send them to his mama.... We still can not believe this is real. Gandy will be missed so much. We are very sorry.

“ *A bright and twinkling light has gone out of our world. Everyone who ever knew or even met Gandy is reduced by his passing. We met him only a few times on river trips on his beloved Chattahoochee. He regaled our group with unique and hilarious stories, a crazy ride through the woods on his Gator, and an aura of joy that we all could feel. My heart aches for his family and close friends, but I thank God for his life.*

“ Dear Glover Family and Friends, Your lose, of Gandy, the older brother of one of my best High School buddies - Peter, has caused us all to have heavy hearts. Although time and space can separate friends, the fond memories of friendships past always hold a special place in one's heart. I remember Gandy as the older brother who was attentive to his younger brother and his buddies. As older brother's will do, Gandy would offer his much wiser opinions whether we asked for them or not but being younger we would usually listen to the wisdom of those who had chartered those paths before us. Older brothers hold a unique place in the tapestries of our lives that can never be filled when they are gone. May God's grace abound toward you as you draw near unto Him in this time of grief. “ I was totally shocked to read about the passing of Mr. Glover. I remember how diligent he was in showing us houses when we first looked in Newnan in 1985 and he was always so personable and friendly. We came very close to buying a house he used to own on E. Washington St. and I have often regretted our not buying it. I also recall being so proud that he was elected mayor and think he did a lot for the city of Newnan. I want to extend my deepest sympathy to the entire Glover family and know that you will be in my thoughts and prayers.

“ Ms. Inez, I was so sorry to hear about the death of your son and although I didn't know him personally, my thoughts and prayers go out to you and to your family. You taught my son, Gary, when he was at Elm St. School and you were so kind and sweet to him. He had some medical problems during those years and you were right there for him. I'm sure some of that kindness and thoughtfulness was in Gandy. May God give you strength and comfort during this time as only He can. Love, Syble

“ OH GANDY!!! WHERE ART THOU???? I WAS SO SADDENED AND TAKEN BACK BY GANDY'S PASSING---MY DEEPEST CONDOLENCES GO TO MISS INEZ, TAYLOR, AND PETER. GANDY AND I WERE ROOMATES AT NORTH GEORGIA COLLEGE IN 66/67. THE STORIES I COULD TELL---GANDY HAD AN OLD YELLOW JEEP AND WE WENT ALL OVER THOSE NORTH GA MOUNTAINS "SPLOING" AS HE CALLED IT. WE FOUND MOONSHINE STILLS, CHOP SHOPS WHERE CARS APPROPRIATED IN ATLANTA WERE CHOPPED UP FOR PARTS AND MET SOME INTERESTING MOUNTAIN FOLKS. HE EVEN TALKED ME INTO GOING TO A LITTLE COUNTRY CHURCH CAUSE THEY SERVED GOOD HOME COOKIN AFTER THE SERVICE. TURNS OUT THEY PASSED SNAKES AROUND DURING THE SERVICE AND HE KNEW I WAS DEATHLY AFRAID OF SNAKES---NEEDLESS TO SAY I DIDN,T STAY FOR DINNER-- -I BOLTED FOR THE DOOR WHEN THAT SNAKE STARTED DOWN OUR ROW. HE TOOK ME TO NEWNAN FOR SPRING BREAK TO FISH AND SPLORE AROUND THERE---RIGHT BEFORE I MET MISS INEZ HE CAUTIONED ME NOT TO SAY ANYTHING OR EVEN THINK ABOUT OUR PLANS FOR THAT WEEKEND CAUSE MISS INEZ WAS LIKE A FOX----SHE COULD READ YOUR MIND! MY THOUGHTS AND PRAYERS GO OUT TO THE GLOVER FAMILY-----GANDY LIVES ON IN OUR HEARTS AND MEMORIES---LARGER THAN LIFE AS ALWAYS-----JHM

He was a good man who loved the Chattahoochee, and he will be missed greatly by all of us who, like him, loved our river. I will always hold many fond memories of Gandy.

“ Sorry to hear about Gandy. I had lots of fun at his house when I dug that water well under neath his house 3 years ago, I also cleaned his house and cultivated his gardens. He was so nice to me, he always fed me lunch and insisted that I sat at the table and eat lunch with him although my clothes were dirty from working and he paid me well. May you Rest In Peace.

“ I have so many great memories of Gandy Glover. My favorite, though, is how our Grandmother would light up anytime he was around. I'm pretty sure he was her favorite. I will always love Newnan partly because Gandy would spend much of our time together telling me why I should love Newnan. According to him, it had the best citizens, the bravest civil war soldiers, a climate much better than any surrounding county, the most historic historic neighborhoods, the most colorful characters, and the list goes on and on. He, his father, and brothers taught me how to fish, snipe hunt, attempt to find arrowheads (so well that even though I never found one, I always thought I would on every hunt), identify plants, and most of my outdoor knowledge I know today. My thoughts and prayers are with the Glover family. I know Gany will be missed by many.

“ Gandy was always going over to my daddy's house with another project he wanted daddy to fabricate and weld for him. My daddy always said that he could weld a cat's tail back on and Gandy - with his many ideas- seems to think daddy really could fix or make almost anything . The seat on the front of the Jeep and something on the Cadillac come to mind. They had many laughs and good times together in daddy's shop. Mama and I last saw Gandy after my daddy passed away in 2009- and he remarked how much he missed him. Now, I like to think they have their heads together thinking of something else to create! What a fun person he was! We will surely miss him.
