“ To the family of Connie, I was so sorry to hear about the death of Connie. Although I haven't stayed in touch I always remember her sweet smile and her kindness to others. One special time I remember her and Harmon was when Aaron died and they came to the funeral home and handed me an envelope and had a nice amount of money in the envelope. That meant so much to me because I knew they didn't have a lot of money themselves; but that was who they were, giving and a generous couple. May God comfort each of you and give you peace as only He can during a time such as this. You are in my thoughts and prayers. Love You,
