“ Words can't express the heartbreak we feel for all of you. Although his time was much too short on this earth, there are two things I am definite of. One, he was blessed beyond measure to have such amazing, loving parents and sisters, and two, he touched many lives. As I have read through the tributes, that is apparent and I pray in time you can find some comfort in knowing that, and knowing he continues to live through other people's memories of him. Hugs, kisses and 🙏 to you all.

Cooper was part of our Lego Club at Willis Road. He so enjoyed coming and working with students at his table in cooperative building. If it was Wednesday, I could count on Cooper popping into our room on his way to class with, "Is Lego Club today Ms. Kennedy?? Are you sure it's not today?...Pretty sure I'm supposed to stay today. I can stay today if you need me."

And just to be sure, he checked at lunch time and again at the end of the day-always polite, always friendly, and always quite sure if it was Wednesday, it was his day to be with his friends at Lego Club.

We will miss his sweet face and our love and prayers are with you all in the coming months.

“ Dear Shane, Nikki, Katy and Marybeth,

Cooper was such a joy to be around. He always had a bright smile on his face and the best disposition. Cooper was loved by me and all the children on the bus. He will be sorely missed by all that knew him. The other day Katy and Marybeth got off the bus as Cooper ran out so happy to greet them and several students and myself noticed and remarked " Awe that's so sweet". He was so happy they were home. We're so very sorry you all have had to suffer such a great and painful loss. Nothing we can do or say will comfort you all at this time but please know you all are on our minds and in our hearts as you go through this for we know you've never faced something so difficult. If there's anything I can do for any of you please let me know.

We love you all!
