“ Hugh and Carol,

*I just found out and I know there are no words for your pain, in the loss of you beautiful daughter. You and your family will be in my prayers and please know, that I am so very sorry. Since the loss of our precious Sean, my verse has been Psalms 34:18 " The Lord is near to the broken hearted and saves those who are crushed in spirit". Even though you probably cannot feel any comfort at this time, God is still here.*

“ Cornelia was a true friend, adventure partner and lover of life. I have so many wonderful memories skiing, camping, joy riding and most importantly, laughing with Corn. I'll never forget one year on my birthday in Jackson, no one was able to hang out and Corn made it her job to make sure I had a great day, which I did- just her and I paddle boarding on string lake. I remember then thinking what a great friend and person she was for making sure her friend felt loved. I will miss you Corn and I will always treasure our memories and the fun we had together.
