“ *Curtis's enthusiasm for church, friends and life was amazing and undeniable. He was funny, caring and always positive. I loved sitting near him and Edwina at church, and we always did. I have missed them and especially hate that he never got to attend services in our new sanctuary. We will miss this man, his strong presence, at Macedonia. Praying for the Grice family to find peace in knowing Curtis is healed and in the arms of our Lord. Peggy and Joe Holloway*

I have many fond memories of "Mr. Grice". He was a real man's man. He loved God, his family and Fishing! He found a little honey hole down on the river where the crappie were practically jumping into the buckets we were carried. Curtis, Charles and I had a lot of fun back in the day. He was even kind enough to let Charles and I take out his boat a few times. Don't remember how much fishing we did but we sure had a good time.

Another favorite pass time of his was eating Dairy Queen ice cream. Only person I ever knew that loved it like he did, is my daddy.

Mr. Grice still has a special place in my heart, he meant a lot to me. He must have liked me a little too, I thought I had made him mad enough to kill me once. I thought I was a goner for sure. He probably never knew it, but he taught me a lot about being a friend, and about being a father. I wish I could have told him so. I regret that I am only now learning of his passing. There is NO doubt he is sitting up there with Dee, Al, Dale, John and many more who have gone on before us...waiting for the day we will all be together again. Rest in peace Curtis.
