“ To the entire Lower family: I just learned of Cindy’s passing today. I am so sorry for your loss. Cindy was always bright and cheerful, and always seemed to be so happy. I remember her stopping by the station, and flashing her bright smile, and changing the mood of the room with her warm personality. God gives us the gift of memories to comfort us in sad times. These memories reveal how much Cindy loved and was loved by each of you. God’s grace is with you always, and will see you through this sad time.
