“ Chris, I was so sorry to hear about the loss of your Mother. She was a dear Friend. I worked with her for years at Yokogawa and she attended Church with me at Welcome Road Baptist for a few years. When my Mother's health was failing she would always have kind comments or words of strength for me. She would also tell my Mother how pretty she looked and always had a gentle hug for her. They are together now and she is complete and without pain. We will see her again. She will be sorely missed no doubt. I will keep you and your Family in my prayers.

“ Chris, I am so sorry to hear about the death of your mom. I had tried to call her several times and left a message one time; but never heard from her. She has been in my thoughts and prayers and so have you. Ann, I've never met you but Ken R. shared your email with me on Kim's status because I had ask him several times if he had heard from her. I am so sorry for your loss. I got to see and talk with Kim more when she was in Purch. but didn't get to talk to her very often after she moved to the back. She was a good friend and I have missed talking with her. May God comfort each of you and give you strength during this difficult time. Love, Syble Storey from Yamaha
