“ For the family of Dan Kirby, my sincere regrets for your loss of a dear family member, and a life-long friend of mine. Dan and I attended Lakewood Elementary School together and in the 4th grade (1959-60) Dan was the president of the "Bird Club" and I was the president of the "Flute Club." (Sounds silly today, right?) When I joined the Atlanta Fire Department in 1968, and Dan become an East Point Police Officer we still stayed in close touch. I lost touch with Dan after I retired from Fulton County, only to be picked up by Forsyth County. Dan was a much respected public safety officer and I will always cherish my memories of him as a adult, and more especially of us as children. May the Lord keep these memories fresh in our minds. With kind regards, I remain: Yours in Faith - Danny Bowman, Forsyth County Fire Chief.

“ I can not find the words to express what my heart felt when I heard of Dan's passing. I have worked with Dan for many years; his kindness and strong love of family and God could not be matched. I grieve for the Kirby family in their great loss and pray for continued strength during this difficult time. Dan, you have left us too soon but your imprint of kindness, love for family, friends and God will always remain. All that has known you have been blessed. God Bless

“ I was saddened to hear of your sudden loss. I am a co-worker of Dan's. Dan was so pleasanat to work with and he was always bragging on his wife and family. We all so enjoyed talking with Dan. Please know that our thoughts and prayers are with you during this tragic time. He will be missed by everyone who knew him.
