“ Bryan and Scott...I was so sorry to hear of your dad's passing. He was a good and descent man; easy going and always smiling, and boy, did he love playing softball. I really enjoyed playing with him on some of the good Trinity teams we had in the 70's. There was the time he almost blew his false teeth out when crossing home plate at Western one night after I had scored in front of him; I was standing there at home waiting for him to score so I saw it all first hand! We laughed about it then and for years afterwards anytime we saw each other! One of my favorite memories of Chick even though there are many others!  
I know you and your family are going to miss him dearly but as we know, you are going to see him again one day!

“ One of the finest men I ever met. I repaired several TV sets for him over the years. Sometime he would just come by the shop to sit and talk about the Lord and his church he loved so much. He was a good and decent man and always looked at the bright side of things. I will never forget him.

“ *I'm sorry to read about Chick's passing. Back in the late 60's and early 70's, I played softball on the Moreland Baptist Church softball team prior to joining the Air Force. We played Chick's church team a total of 77 games. Even though we (Moreland) won 75 out of 77 games, Chick and his team were not sore losers. I always enjoyed playing ball with him. He was a easy-going individual and a great guy. I hadn't seen him since 1971. However, I was able to talk to him a few years ago. He will be missed. May God comfort the family during this time.*
