“ Carol, Johnny and Family of Danny, I am so very sorry that I am just now hearing of Danny's passing today. I had heard he had not felt well for some time and I truly hope his passing was peaceful for him. It meant so much to me to look up from my tears at mom's wake and see Danny and John standing there and I wish I could have been there for you as well. In my thoughts and prayers your family will always be.

“ *So sorry to hear of Dan's passing. We had not been in touch of late, other than on Facebook, but the memories are many. From when we started first grade, thru grade school, high school, and after high school graduation. He taught me a lot about motorcycles, cars, music, etc... We had so much fun and this is such a sad time for all who knew him. My kids fondly remember him as a Sunday School teacher as well. Our condolences to his family.*
