

## Daniel Maloney

May 16, 1956 - May 16, 2024

Daniel Maloney, known fondly as Danny/Pops/Mr. Dan, peacefully passed away on his 68th Birthday, May 16, 2024, completing a poetic journey. He is survived by his son, Daniel P. (Tracie) Maloney, daughter Jennifer Zuniga, granddaughters Ava Zuniga (16) and Lyra Zuniga (14), and grandson Patrick Maloney (12). He is also survived by his sister Kathie Maloney and brother Steve Maloney.

Danny's journey began at Carol City High School in Florida and continued with his graduation from the California College of Health Sciences, culminating in his Doctorate. He dedicated his career to serving as the Assistant Director of Respiratory at Henry General Hospital, where his commitment to his work reflected his deep love for his family. To love Danny was truly an honor.

Those who knew Danny were entertained with stories of his son's hockey achievements, his daughter and granddaughters shining on the volleyball court or in the chorus, and his grandson Patrick's prowess as a soccer goalie. Despite his demanding job, Danny always found time to help others-whether it was a roadside assistance or simply answering a call, his presence was unwavering.

Danny found joy in such activities such as playing golf, mastering pool games, indulging in airbrushing art, and curating his collection of cherished items.

A loving father, tender and kind, what a beautiful memory you left behind.
