“ Danny was our neighbor on Flat Run Road near Buford when he was in high school. My family, the Hilliard's, were very much friends of the Magley/Minton family. We kids road the school bus together along with Sheri and Melody who babysit for us too. He was such a nice young gentleman in his teens and I always looked up to him because he was always so welcoming when me and my sister went to the family home. He helped with our family hay crop too. I always had a crush on him when I was little because he always had a smile and a kind word plus he was very handsome. My Dad, Kenny sold our property and we moved to Florida. Recently we found friendship again after many years, on FB.

His love for the Lord was something we shared. He was and good man and truly loved and cherished his family. Heaven gained a beloved saint to continue to serve Jesus and assume his new purpose in eternity! God must have big plans for him there because he picked him to come on home to a place we all seek to serve when life here on earth is over! Much condolences to all of his family! He will be waiting to see you again! Take care! Much Love and prayers from Anita Hilliard Graham! May "Poppa's" peace and comfort each of of you as He can only do! He can give be with you all through this very heart breaking time! 💔 Remember all the wonderful moments and special memories you had with him while he was here!!
