“ *Danny was "a good ol' boy" in the best sense of those words. Hardworking and fun-loving, it seems like there was nothing he could not do. Always quick with a quip or a good joke, he was warm-hearted, kind, and generous. He will be missed. JoAnn, Linda, Brenda & Charles, Ronnie & Shelby, you have our deepest sympathy. May God give you strength and courage.*

“ Sorry to hear of Danny's passing. I met both him and Mike while working at Parker's. Through the years there and at Duncan Automotive, he would always bring a smile to my face and he would always make me laugh. For some crazy reason we called each other Whooper. I was just thinking of him last week as I passed his house. The family will be in my prayers.

“ We were sorry to hear of Danny's passing. As fellow Moreland residents we have known all the Boswells for many years. As electricians and construction folks we had worked around them a lot especially back in the day and always thought a lot of their families.

*May God's blessings be on their families during this time.*
