What a Beautiful amazing grace celebration of Danny Brooks!! Danny with Gods love and grace brought up a beautiful loving, God fearing family. You knew you were loved the second you met anyone of them without any judgment. God let Danny live his last few days the way he wanted and God let the family love Danny surrounded at his side loving him the last few hours of his life. What a great testimony of Dannys life. Until we meet again, we love you!!

“ Sorry to read about Danny's passing. We graduated high school together. That probably was the last time I saw him since I left Coweta County to persue an Air Force career and never moved back there after retirement. We had a few classes together. He was always cheerful and just a great individual. May God comfort the family during this time in life.
