

Danny Klein Spriggle

September 10, 1961 - October 6, 2025

It is with great sadness that we announce that Danny Klein Spriggle passed away peacefully in his home on October 6, 2025, surrounded by love and family in Coweta County, Georgia. Danny was born on September 10, 1961 to his beautiful mom, Mary Ruth Maddox, in Albany, Georgia.

He is survived by his children, Savannah and Rusty Spriggle; his granddaughters, Echo, Alexis, Madeline, and Graci; his siblings, Lester, Mark, Robert, Bubba, and Cecelia.

He was preceded in death by his mom, Mary Ruth Maddox, and his stepdad, Jeff R. Maddox.

Danny's life was a testament to love, family, and perseverance. He was a master craftsman and could build a house from the ground up. He took great pride in his work and strived to leave his legacy to his children. A legacy of integrity, resilience, and love.

Beyond his work, he was a loving father to his two children, and a proud grandfather to his three granddaughters. He believed in the power of family and dedicated his life to creating a loving and supportive home.

He loved working on his cars and going to car shows to raise money for those

in need. He was proud to show off all of his hard work and enjoyed looking at old hot rods.

In reflection of his life, we will always remember the man who gave the shirt off his back to anyone in need; the countless lives he's touched & saved; and all of the laughs, unsolicited advice, tough love, and belief in something greater. Danny was a force to be reckoned with and a soul you wouldn't want to live without.

God has gained another angel. Although Danny's life on earth has ended, he will walk eternally in heaven, hand in hand with his loving mother. Until we meet again. May you rest in peace, rise in glory.

“ So I remember watching TV with Danny it was funny as all get out. He could laugh and make jokes at the TV all day but if anyone else did he would scream shut up I'm trying to hear this. His favorite response when someone said something was broken and unfixable. He'd say shit.... watch this. He'd fix it in 30 minutes or less. When my dad told him I was broke and unfixable he tried to fix me. He really did but wasn't able
