“ Clint, Felicia, Regina, Stephen and family we just learned of Daphne's passing and it made us so sad. Even though there hasn't been contact with you or the family very often in the past years we will never forget the times there was contact. Daphne to us was always the consummate women. She was kind and gracious. I appreciated the contact she had with my mother even though mother could not always return the efforts Daphne made. It makes us realize how the community will miss Daphne's presence. While we cannot be with you today please know that we am grieving and present in spirit. Carol and Rick Orleck
