“ *I want to thank everyone for coming to say goodbye to my brother for me and my family. We truly appreciate it. Darrell there are so many things that I could say because we had 38 1/2 years together, but it just wasn't long enough. I love you so much and I will never be complete again.. There's nothing that I can do but take one second of every minute of each and every day at a time???? I love you Lil Brother!!! <3. R.I.P.*

To Darrell's Mom Dad and sister Tessie.. I am just lost for words I keep seeing that lil dark headed little boy running around doing something.. And if you made him mad he would let you know it... Lol and now we all have sadness that we will not get to see you grow old and be the man that we know you could have been!! I just want you to look out for your Mom and your Dad And your sister Tessie you know we all love you and we will be missing you.
