“ I **just** ran across this obituary today, and was so sad to learn of David's passing. I remember visiting his parents Uncle Scott and Aunt Liza Mae with my grandmother (Uncle Scott's sister), and my mother & aunts. David was just finishing high school then (he was 7 years older than I, and 6 years younger than my mother's youngest (twin) sisters). Aunt Liza Mae was a wonderful cook, and very sweet lady. We heard about David's football fame back in those years, so exciting! I know he was as proud of his children as his parents were of him.

Praying now for his family to have comfort in knowing David's at peace & resting. 🙏🙏🙏

“ I am so sad to hear that David has passed. We have been friends since childhood. Our families were neighbors and good friends. David was an only child, and He always treated me like his little sister. We reconnected a couple of years ago and we enjoyed many conversations via phone and fb. He was always so proud to tell me about his children, of whom he was very proud. I loved David and I will miss him always. God bless his children. Your dad was a special person. God bless you! Would like to hear from you.

I am so sad to hear of David's passing. We were very close friends from a very early age and shared a lot of happy memories. Our families were good friends and neighbors. David and I had recently reconnected mostly via phone and fb and we shared a lot of laughs about our younger days and caught up on more current events in our lives. I loved David and I could always count on him to be my "brother". I am sorry that I couldn't attend his service. My prayers are with his children whom he loved to talk about. I will always remember him fondly and keep him in my heart. Linda Bell English
