“ Dearest Carol and family, I cannot express in mere words the sorrow I have in the loss you have suffered. David was an "all-around" great guy. He always was happy and made you feel pretty cool. I remember when you started dating David and I remember visiting you two in the married section at Auburn. The wedding and meeting all the great Glovers. You two were soul-mates and had a very blessed and happy life. The sun will be a little less brighter and there will be a hole in your heart with his absence. We will pray for strength for you to get through this. Love to Jennifer, Beth, Frank Jr. and of course Uncle Frank and Aunt Gladys. Sorry I wasn't there but my prayers were. Sue

“ Carol and family, Mary and I are saddened by the loss of David. During his years in Monroe, he was always fun to be with and was a gifted administrator. I recall fondly of times when I would disagree with him and he would end the conversation by saying that there were things he could not change but he would not let those things interfere with friendship and then ask when we could get together for a round of golf. Our prayers and thoughts are with you.
Sincerely, Mary and Bob Sarama

“ Carol & Family: It was such a shock to hear of David's passing. I am so sad to hear of your loss of such a fine person. I was David's Personnel Director at Livingston Hospital. I have such fond memories of David while working with him. I will always remember the time I gave him directions to the doctor's office in Byrdstown which I told him to go to the flashing light and turn left and when he returned, he said he went all around the square and there was NO FLASHING LIGHT and I said but David it is there it just doesn't work and I had forgotten to tell him that it did not flash! He never let me forget that one. My heart is full of sadness for you and your family. My prayers are with you all.
