“ I worked with David at GE and remember him as a hard worker that always had a welcoming smile on his face and great co-worker. He was always quick with an invite to lunch, hoping to use and split the cost of a "2 for 1" coupon to one of Cedar Rapids less known eating establishments. We always had a good time discussing the next accessory he was going to put on his truck. David was a good guy and I was sad to see that he passed away at such a young age.

“ We remember David as a great Boy Scout, an Eagle Scout, a great and funny young man as well as a person of compassion and caring. We remember all the fun that David, Jimmy and Scot had in our backyard pool during the summers and on their various Scouting trips. It was an honor and a pleasure to know him. I know David is with his maker, his Dad, Chauncey, Grandmas and Grandpas Hruska and Stotler and having a wonderful time!

*For now, our prayers and thoughts are with his family. Over time, may you all find some peace in his death and joy in the memories he left with you.*
