“ I will always remember going to Jones family gatherings with James & Matilda Jones and Boys. Wayne when he saw one quite and seen contemplating in thought, he would come up to see if you needed someone to talk to. He would wait until you seemed to finish and he listened intently he would then offer a prayer and end it with kind positive response! God Bless your kind and caring heart. I'm sure your eyes have seen more pain and injustice in this world than anyone should see.

I'm very happy that now you get to go home and stand in front of Jesus and all of the precious ones that left Before You.

Sincerely, Kathy Bearden Stirne & Dr. Howard D. Stirne

“ Family my heart aches for you. When the good Lord calls our loved ones home he leaves a gift of memories in exchange. Oh so many years ago at John's and Mattie Lou's during reunions we were all together playing base ball in the pastures all of us cousin's not having a care in the world. The service you gave for our country and then the service for Newnan Police Dept. The caring for the young and old made you a town name. You were a honest caring person. You wound up working with Clarence for many good years. It's hard to say good bye so I say may angels walk with you and you be reunited with your family who have passed. Love you cuz R.I.P. the Jones Twins 🥺

“ I worked with Wayne at the NPD back in the late 70's. He was a very quiet and reserved guy, but when he smiled he lit up the room. I am so sorry for your loss of such a fine man, and I am very grateful for Wayne's service to our country in Viet Nam, and for his tireless dedication to the City of Newnan. Rest in peace, Wayne.

“ I knew Wayne as an acquaintance, however he lived his life in SERVICE work. First as a military police officer in VIETNAM, my generation that got called BABY killers when they came home, was disrespected when he came home, ONLY for doing his DUTY for this country that we love so well. Coming home he then became a police officer, which at the time, commanded much more respect than that they are GIVEN NOW. Thank you Wayne for all you did for OUR country and OUR city. Both thankless jobs, but I am sure Wayne did them with a great deal of PRIDE in both the country and the City. Newnan has suffered losses with the Tornado and now lost a fine man. Who swore to protect and serve his community. God Bless you and give your Family comfort in this time of sorrow.

Shirley, I hated to hear about Wayne's passing. I hadn't seen him in over 50 years. We had classes together at Newnan High School (NHS). Every now and then I would get brave and ride with him from Moreland to NHS. There were times I didn't think we were going to arrive alive. I pray that God be with you and your family during this time of sorrow.

Shirley, Karen, Chris and Family, Wayne was a tremendous man, friend and police officer. He always looked out for his fellow officer wanting to ensure all would go home at the end of their shift. I enjoyed our many conversations through the years. He would call and say meet him somewhere or we would meet at the picnic table, his table, behind the PD! One thing was well known, he loved his family and his law enforcement family. He will be truly missed. May God give his peace and comfort in the days ahead. I can hear him now as he met up with his NPD friends in heaven...McIntosh up to five! Rest easy my friend. Retired Sheriff Mike and Bev Yeager Family
