“ Dave was a good friend, a man with his own opinions (and someone not shy to let you know what they were), and someone who lived the life he wanted with the person he wanted to live it with. The world is a lesser place without him in it. Few people can live such a filled life. God Bless and know you and your family are in our prayers.

“ David had the heart of gold. In the short time that I knew him, he taught me so much. No matter what obstacle came his way he always said "don't worry everything will be ok and I'm going to be ok." What an inspiration! Each of you will always have a special place in my heart. Many thoughts prayers and hugs!! ~Claire
