“ *My heart aches for you all during this difficult time. I wish I could be there with you to hug you all and wipe your tears. Papa was an amazing man. I loved his sense of humor and his home cooking. He's the reason I eat black eyed peas and collard greens. You all were his life and he loved you all so much. I pray you find peace in the good memories you all have and in knowing that he is no longer in pain and with Lee and Spot. I love you all so much.*

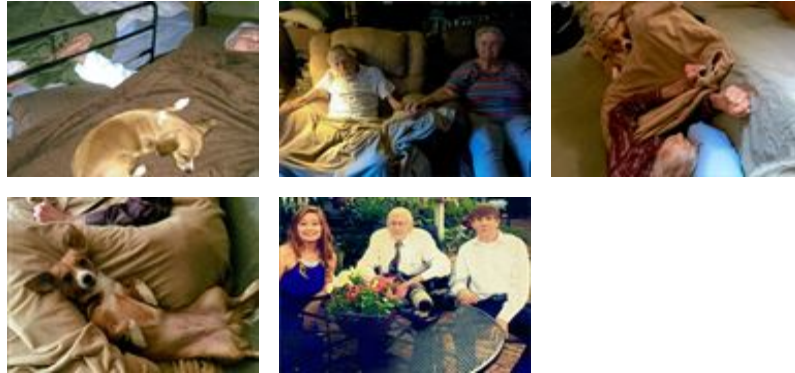

With sympathy,
