“ Grace, I am so sorry to hear of the loss of David. I remember fondly the days when we were young in Campbell how he always had a smile and a kind word for us underclassmen. What an impression that made on us. I will be in prayer for you that in the coming days you can find peace and comfort knowing he is at rest in the arms of his Lord.

Being a friend and classmate with David at Campbell High was a special time, made even more special by freinds like David. My farther and Byron, David's dad, were close friends from back in the 30's. “ Grace and family, We are sorry for your loss. I always remember David as a positive and happy guy. Queen Elizabeth the Second once said that "Grief is the price we pay for love." She was so right. David is much loved.
