“ David worked in the Grounds dept. at Oakland University for at least 25 years.

He grew up in the Cleveland, Ohio area and was a Vietnam Veteran in the Marines.

David was a very kind and talented person who was always willing to help

others in need. When he retired to the Newnan, Georgia area , he was missed

by all his co- workers . He was always amazed that I knew exactly where

he retired to , since I had a Father and Grand Parents who grew up in

Brooks, Georgia which is near near Griffin , Georgia.

David touched the lives of many people wherever he went.
