# Tribute Wall

WB

“ *There are no tributes here because you passed before this was a thing. I miss you horribly. So many of us do. I can still hear your laugh. I miss our talks. I miss you so much. We have buried so many. I wish you could have been here physically. You were a light.*

*Please send my love to all who are there with you. You know who they are.*

*Thank you McKoons for leaving this open. After all of these years.*

*I am grateful.*
