“ I was riding through our old neighborhood this week and noticed the house he lived in as a teenager was gone. That set me to wondering what happened to Dave. So I Googled. I am sorry for your loss...I was 2 years younger and thought he was the nicest boy.

“ Ole Dave!! You Sir are a one of a kind!! I'm going to miss all the laughs and conversations we had. I've spent the last few days thinking of conversations we've had. Calls we've been on together. Smokes out back we've had together. Ill always remember when his twins were at Smokey Road Middle. He would call me twice, maybe three times a month to go "lay eyes on them". Not that anything was wrong, but just he was thinking of them and wanted to know they were safe. He sure does love them girls. You couldn't miss Ole Dave. I'd see him coming down the road in that brown court car. Big ole furry, tanned arm hanging out the window and about a half a mile long cigarette hanging out of his mouth. There will absolutely NEVER be another David Wisniewski. I will always remember the long conversations he'd have with dispatch over primary or the jokes he'd make me get in on to mess with a co-worker. So fun to be around. I thought of Dave often these past few days and one thing that always stood out. Anytime I needed him, he was there. Any advise I needed, he was willing to give. Any favors I needed, he wouldn't hesitate to help. A true man's man. Sure am going to miss you friend. God speed Dave and God bless your family.

“ Thanks David for inviting me to sit down with you at juvenile court last month. I really enjoyed our conversations about so many topics, outside of the job. We shared a lot of the same interest, in cars, guns , mechanics, drones and video equipment. Over the years when we worked together we would always talk about these things. Even times when I needed to vent about work stuff he would always shed a lot of light in my direction and help me stay on track. Thank you David you will be missed by very very many people.

“ I remember meeting David when I worked as a Troup County Deputy and he was at Hogansville Police Department. Many times we spent backing each other on calls or just meeting up to share a joke. David always had a quick wit about him and he could light up the room with his smile.

When I came to Coweta County Sheriff's Office in 2013 he was the first to greet me and he told me he would put in a good word for me with the brass. He did just as he promised and it helped me to land a job there. I'm out of law enforcement now to pursue other career opportunities. However, if all law enforcement officers could be more like David, I'm sure I'd still be on the force. Godspeed to you my friend....your legacy will live on in those people's lives that you have touched....mine included.

“ I have said prayers for you in the last few days, hoping for a miracle. . I appreciated you coming in my office early last year to wish me well on my retirement . I never forgot that. I am deeply sorry you had to endure so much at such a young age. You are in the company now of many good people from CCSO that passed away over the years . You will be remembered. Peggy Kraft
